FULHAM PONY™

ELECTRONIC BALLASTS

SUPER SLIM

The Super Saver Advantage

The revolutionary super slim PONY® electronic ballast for single and twin 14/24/28W T5 and 36W T8/CFL lamps

Features & Benefits:

- Very low height and width (only 21mm × 24mm) enables a low depth luminaire design with precise optics control, leading to luminaire cost savings
- High surge-withstanding capacity doesn't damage the circuit
- High voltage-withstanding capacity to handle unstable field power variations
- Strong circuit enables no lamp shut down at high voltage
- Automatic restart after lamp replacement
- Rated Power delivered to lamp by tuning to standard lamp current which ensures rated lumen output and lower lamp lumen depreciation
- Wide operating temperature range
- Better fixture aesthetics due to small ballast footprint
